Too Much Delay

Town Asks Government Action In Gas Dispute

Failure of the board of directors of the Central Gas Utilities (Vulcan) Ltd., to vote on an offer made by Canadian Western Natural Gas Co. Ltd., for the purchase of the Central Gas plant and distribution at Vulcan, thereby causing further delay to Canadian Western's plan to provide Vulcan with natural gas service this year, was the subject of a special council meeting called by Mayor William Munro Tuesday afternoon of this week.

Following the meeting, the chairman of the Board of Public Utilities Commissioners in Edmonton was contacted by phone and the case again presented to him, including the fact that Central Gas has no franchise in Vulcan and their failure to make an agreement with Canadian Western should not be allowed to delay the coming of natural gas to Vulcan. An immediate investigation was promised y the chairman and word of what action will be taken is expected within a very few days. A delegation from the town council will go to Edmonton if it is considered advisable.

Meanwhile, Canadian Western has completed surveying of the projected transmission line to Vulcan and will start construction work this spring. The villages of Barons, Carmangay and Champion have been asked to prepare franchise agreements, with the proposed rate being 75 cents per thousand cubic feet. A franchise to supply Vulcan with natural gas will necessarily be delayed until the difficulties with Central Gas are settled, possibly through intervention by the Board of Public Utilities Commissioners.

Flax Entries Win At Seed Fair

At the recent annual seed fair in Calgary, an entry of Redwood flax by Harris Matlock of Vulcan took second place in the flax exhibit, with third place going to W. J. Hagedorn of Mossleigh.

There were 24 entries in this class, with top place going to a Fort St. John, B.C. entry.

BRITAIN'S NEW PROP-JET VANGUARD AIRLINER IN FLIGHT. The first air-to-air photograph of the new British prop-jet airliner—the Vickers Vanguard—which made its flight recently (January). Powered by four Rolls-Royce Tyne propeller-turbines, the Vanguard carries up to 139 passengers at an average cruising speed of 425 miles per hour. Forty of these aircraft are on order—20 for British European Airways and 20 for Trans-Canada Air Lines. First delivery, to B.E.A., is due in the spring next year.

Designed from the experience gained with the world-renowned Vickers Viscount airliners, the Vanguard is claimed to meet the demand for smoother, faster and more economical air travel over short and medium distances. The manufacturers state that air fares can be reduced by 50 percent in Europe and 30 percent in the United States, allowing for a 65 percent passenger load factor and a 10 percent profit margin.

To Hold Plebiscite On Hail Suppression Scheme

At the regular County Council meeting held last week, a delegation and petitions were received, asking that the County hold a plebiscite to secure the view of the ratepayers regarding the introduction of a weather modification or "hail suppression" scheme.

The proposed area to come under hail suppression would include the unsubdivided farm lands of the County with the exception of several townships— the exact area being defined in the by-law which is published on another page in this issue of the Advocate.

The scheme, if approved by the ratepayers of the area concerned, would be in effect for three months, commencing on or about June 20th, 1959. The cost of $84,000 would be met by the levying of an additional mill rate, not exceeding ten mills, upon the unsubdivided farm lands liable to assessment and taxation in that portion of the County defined in the by-law as coming under the hail suppression scheme and in which the plebiscite will be held.

The by-law must receive the approval of not less than two-thirds of the proprietary electors voting thereon before it can be put into effect. (It should be noted that the approval required is two-thirds of those voting rather than a two-thirds majority of the ratepayers of the area concerned).

The plebiscite will be held on Thursday, April 16, from 9 a.m. until 5 p.m., with C. H. Andrews as returning officer. There will be 12 polling places—at Armada, Carmangay, Champion, Alston, Dennison's Farm, Reid Hill, Milo, Ensign, Lomond, Kirkcaldy, Queenstown and Vulcan.

Alston Resident, George Reath Dies

A well known resident of the Alston district, George Riddle Reath died at Vulcan on March 13, 1959, folowing a lengthy illness. He was 71 years of age.

Born in Glencoe, Ont., he moved west in 1914 to Didsbury, where he managed the J. C. Elliot Ranch for six years. He then moved to the Alston district and had resided there since. He was a member of the Vulcan Church of Christ.

Besides his wife, Marion, he is survived by three daughters, Evelyn, Marjory and Mabel, and one son, James, all of Vulcan; two brothers, Joseph of High River and Charles of Glencoe, and one sister, Mrs. Ann Broderick of London, Ont.

Services were held from the Vulcan Church of Christ on Wednesday, March 18, at 2 p.m., with Rev. Robert Simpson and Frank Dann officiating. Pall bearers were O. Sommers, K. Drummond, E. Mueller, C. Hollister, C. Middleton and J. Midleton and burial was made in the Vulcan cemetery.

Vulcan Funeral Home was in charge of arrangements.

Lionettes Mark Charter Night

A very successful Charter Night of the Vulcan Lionettes Club was celebrated at the Vulcan Lodge Hall last Friday evening, when Lions and Lionettes enjoyed a turkey dinner, program and dance.

Lionette president Bea Richardson presided and the program was in charge of Lionette Edythe Gottenberg. Music for dancing was supplied by the Lethbridge Troubadors.

Champion Girls Defeat Ft. Macleod In Basketball

The Champion high school girls basketball team, County of Vulcan champions, have advanced to the Southern Alberta playdowns at Lethbridge this weekend by defeating the Fort Macleod girls, winners in the Macleod School Division, in a two-game total point series. The Champion girls won both games, scores being 23-18 at Champion and 24-19 at Fort Macleod.

In the high school boys playdowns, Champion lost the series against Claresholm boys.

Successful Open Bonspiel

Harris Matlock Rink Wins Grand Aggregate

A very successful Vulcan Men's Open Bonspiel of 32 rinks concluded Saturday night, March 14, with local rinks taking top spot in each of the four events. The Harris Matlock rink won Grand Aggregate honors with a won nine, lost one record followed by Ray Wellman's foursome with a 9-2 finish. Of the fifteen outside rinks, only Rockafellow of Blackie reached a final berth, with four others making the prize list. The success of the 'spiel was due to the co-operation of the weatherman; excellent ice conditions throughout, and the number of rinks attending, making it unnecessary for real early or late draws.

Winning the first event was the rink of Gale Atkinson, Jim Clark, Neal Dumka and W. McDermott. The H Matlock rink took second spot followed by the foursomes of Joe Keenan of Champion and M. Switzer of Herronton.

The Matlock crew of Clay Snow, Vic Rushfeldt and Alvin Jacobson, then copped aggregate honors by defeating H. Spaeth in the second event final. Third and fourth spots were taken by Mac Switzer of Herronton and R. Wellman. Third event was won by the rink of Ray Wellman, Lloyd Graham, Andy Knive and Harold Boutland with Bob Willard's foursome as runner-up. John Wolfe's rink was third with Granlin of Champion taking fourth.

The rink of Vernal Haga, Bob Haga, Orval Deal and R. Hammer were winners of the fourth event when they defeated Jim Rockafellow of Blackie in a thrilling final. Third and fourth places were filled by Bill Burley of Brant and Bob Nimz of Vulcan to round out the complete list of successful rinks.

* * *

Coming events at the Vulcan Curling Club are a one-day Spiel on Saturday, March 21 by the teachers of the County of Vulcan. Following this on Sunday, March 22, is a Jackpot Bonspiel which has proven to be very popular for curlers and spectators. On Monday, March 23, the Open Mixed Spiel starts with draws at 5:00, 7:00 and 9:00 each day. Two ladies and two men are on each rink and this 'spiel should also be very interesting and lasts four evenings.

The Elks' Bonspiel in Calgary starts Wednesday, March 25, and there should be three or four entries from the Vulcan Lodge to take in this big affair. On April 1, the annual banquet and meeting of the Vulcan Curling Club takes place at the IOOF Hall, starting at 7:00 p.m., and this will wind up Vulcan's first season of artificial ice and also a very successful one.

Ask Grant For Lomond Road

At the regular meeting of the Municipal Committee of the County of Vulcan, held last week, it was decided to apply to the provincial government for a construction grant to improve the Lomond road on the east side of Lake McGregor.

The committee also passed a motion to purchase a new Ford tandem truck and a light delivery truck.

Regular Meeting Reid Hill W.I.

The March meeting of the Reid Hill WI was held Thursday, March 12, at the home of Mrs. W. A. Fitzpatrick with Mrs. F. Schneider and Mrs. P. McIntyre as assisting hostesses.

Mrs. Earl Deal, the president, was in the chair and conducted the meeting, assisted by the secretary, Mrs. F. Schuler. Thirteen members and one visitor answered the roll call with "An Irish Joke."

Routine business matters were dealt with and final plans made for the showing of a film by the Canadian Cancer Society the following Monday. Mrs. C. Love read an interesting paper on the origin of the Women's institute which was most interesting and informative.

A motion was made to write the Council of the County of Vulcan, urging that the Home for the Aged be located in Vulcan, rather than elsewhere as rumored. Mrs. J. C. MacMillan, the member whose birthday occurs this month, was the recipient of a small gift. The tea draw was won by Mrs. Schuler after which a dainty lunch was served by the hostesses.

Library Notes

The local library is sponsoring a poster contest to help publicize "Canadian Library Week," which will be held April 12 to 16.

Participants will be divided into three groups, 1 to 3; 3 to 4 and 7 to 9. Prizes offered are: 1st, $1, and 2nd and 3rd, library cards. The prizes will be the same in each section.

Posters are not to be smaller than 10x12 inches or larger than 12x14. Entries are to be handed in to the local librarian on or before April 10.

Plan Ice Carnival Friday, March 20

The Chips & Twigs Club is sponsoring an ice carnival at the Vulcan Arena at 7:30 p.m., on Friday, March 20, weather permitting.

Prizes will be given for best costumes and races will be held for Grades 7 to 12, with the room earning the most points gaining posession of the Skating Club shield. Broomball and moccasin dance will also be featured at the carnival.

Purchase of tickets also entitles the holders to vote for the election of four young people who will act as hosts and hostesses at club functions during the year. Candidates include Jimmie Graham, Allan McAskile, Ronnie Hughes, Ken Scotney, Wayne Ericksen, Aileen Morley, Barbara Coombes, Lynn Spaeth, Karen Smith and Lyle McNaughton and they should be chosen for personality and ability in sports and education. Votes should be deposited in the boxes at local stores before 6 p.m. on Friday.

Conduct Workshop For S.S. Teachers

Rev. Geo. Young, Field Secretary for Christian Education for Alberta conducted a very worthwhile Sunday School Teachers Workshop in the Vulcan United Church on Monday. Sunday School teachers from Parkland, Stavely, Nanton, Farrow, Blackie and Milo were present as well as Vulcan.

For this meeting members of the CGIT Groups served a buffet supper.

Two-day Hi-C Rally At H. River

Six members of the Vulcan United Church Hi-C Group, Marion Knive, Margaret Giles, Myrna Jamison, Ronald Brinton, Barrie Deal and David Collier, together with their Counsellors, Mr. and Mrs. W. A. Shields attended a very successful Hi-C Rally at High River over the weekend.

Groups from Granum, Claresholm, Nanton, Cayley, Turner Valley, Vulcan, Calgary and High River took part in the two-day rally which included discussion groups, theme speakers, and recreational activities. Rev. Geo. Young, Field Secretary for Christian Education and Rev. Morse Johnston, minister of High River United Church supervised the program. Dr. Ralph Collins, missionary on leave from Angola presented interesting films depicting his work in Africa.

On Saturday evening the Couples Club of the High River church acted as hosts when they sponsored a very successful social evening of dancing which gave the delegates a good opportunity of mixing with representatives from other points. This evening was brought to a fitting conclusion when the group gathered in the body of the church for evening vespers conducted by Douglas Alexander of Cayley.

Sunday's program included a church parade to the morning service, luncheon, discussion groups and a most interesting address by Rev. Ed. Mullen of Calgary who really challenged these young people to think and act for themselves in a Christian way. Rev. Mullen was also the guest speaker at the evening service which the group again attended in a body.

Cattle Prices Higher At Sale

Cattle prices rose sharply last Saturday at the High River Auction Mart weekly sale. Fat steers topped $23.50 per hundredweight with fat heifers up to $21.20 and fat cows to $19.20. Stock cows with calves at foot brought as high as $240.00, calves selling from $21.50 to $26.50 per hundred weight. Milk cows brought from $180.00 to $240.00 per head.

Weaner hogs sold for $6.00 to $12.00 and feeder hogs $14.00 to $22.00 each. Sows were from $37.50 to $74.00.

Saturday's sale saw 189 cattle and 391 hogs go through the ring. Consignors of livestock are reminded that the Auction Mart is open until 11.00 p.m. on Fridays and are urged to bring their stock in early.

Home & School Institute

The annual County of Vulcan Home and School Institute was held at the Vulcan High School on Saturday, March 7. The Home and School Creed was read by Mrs. Gore of Milo, with the invocation given by Mr. McDaniels of Arrowwood. Greetings from the Alberta Federation of Home and School Associations were given by Mrs. Frey of High River.

Reports of local associations were given by representatives from Champion, Brant, Mossleigh, Arrowwood, Carmangay, Lomond and Milo, showing very active groups at these points.

The business meeting was conducted under the direction of Mrs. Gallagher, president and Mrs. Ball, secretary, both from the Brant Home and School Association. During the election of officers, Mrs. Gallagher and Mrs. Ball were both elected to their former offices by acclamation. Mr. Ruggles of Lomond filled the vacancy of vice-president. A motion was passed stating that a person could fill an office for only two consecutive years. Regional vice-president, Mrs. Ward has resigned due to ill health. This vacancy has been filled by Mrs. Gallagher.

Mrs. Frey then introduced Mrs. G. Garbutt of Calgary, who gave an address on group discussion techniques which was followed by a film and buzz session. The morning session was then brought to a close with a turkey dinner served by a Vulcan Ladies' Club.

The guest speaker of the day was R. H. Jeacock, president of the Alberta Federation. He gave a very enlightning address on the "Future of the Home and School."

R. L. Jamison, chairman of the Vulcan Library Board, introduced E. J. Holmgren, supervisor of Public Libraries, Department of Economic Affairs, Edmonton. He spoke of the possibility of setting up a regional library in the County.

The final speaker of the day was J. M. McKay, who spoke on the County plans and policies.

Lunch was served by the Mossleigh Home and School to bring the day to a close.

Contract Let For Additions To Schools

The firm of Holt & Nordlund of Lethbridge, with a tender of $251,736.87, was the successful bidder for the construction of additions to the Vulcan Elementary, Champion and Milo schools. Eight firms submitted tenders on the three construction jobs, with Holt and Nordlund's bid of $251,736 for all three jobs being the lowest. Tenders were opened on March 9.

The construction projects involved include a four-room addition at the Champion school, a two-room addition at Milo and the addition of six classrooms and an auditorium at the Vulcan Elementary School.

Tenders received were as follows:

Bird Construction: Champion $81,975, Milo $41,206, Vulcan $148,988, all three jobs $272,169.

W. Cooper: Vulcan $139,900.

Chronic Construction: Champion $84,500.

Holt & Nordlund: Champion $76,515, Milo $35,752, Vulcan $140,798, all three $251,736.

Kenwood Engineering: Champion $79,740, Milo $38,300, Vulcan $143,140, all three $259,800.

Glen Little: Champion $83,200, Milo $39,200.

Oland Construction: Champion $85,650, Milo $39,200, Vulcan $147,000, all three $261,990.

Southern Alberta Construction: Champion $79,565, Milo $37,027, Vulcan $144,192, all three $259,784.

Tenders have also been called for the addition of an auditorium, one classroom and a Home Ec room at the Arrowwood school and bids on this job will be opened at the School Committee meeting on April 13.

County's Offer Accepted

New Salary Schedule Approved By Teachers

The new salary schedule proposed by the County of Vulcan No. 2 has been accepted by the County of Vulcan Local of the Alberta Teachers Association and now only requires approval of the parent body of the A.T.A.

The early acceptance of the new schedule is in contrast to negotiations in recent years, which have usually dragged on for months, and, it is hoped, will be of aid to the County School Committee in engaging new teachers for next term. The new schedule compares favorably with salary schedules of other rural areas in the province. In 1959, teachers' salaries will total about $400,000 out of the total 1959 school budget of $870,000.

The new schedule, which will come into effect Sept. 1, 1959, is as follows:

Years of Teaching Experience	Years of Teacher Training					
	One	Two	Three	Four (Degree)	Five	Six
0	3,000	3,500	4,000	4,500	4,800	5,100
1	3,300	3,800	4,300	4,800	5,100	5,400
2	3,500	4,000	4,500	5,000	5,300	5,600
3	3,700	4,200	4,700	5,200	5,500	5,800
4	3,900	4,400	4,900	5,400	5,700	6,000
5	4,100	4,600	5,100	5,600	5,900	6,200
6	4,300	4,800	5,300	5,800	6,100	6,400
7	4,500	5,000	5,500	6,000	6,300	6,600
8		5,200	5,700	6,200	6,500	6,800
9			5,900	6,400	6,700	7,000
10				6,600	6,900	7,200
11				6,800	7,100	7,400
12				7,000	7,300	7,600

Other terms of the agreement are that Special Certificates, if used, shall be paid at the rate of $50 for Junior Certificate and $100 for a Senior Certificate. Principals shall receive $100 per room up to ten rooms, exclusive of own room, and $50 per room for each additional room, for supervision. Vice-principals shall receive 50% of the principals' allowance for supervision.

Allowances for heavy teaching load will be $1 per pupil per month of school operation for each pupil over 25 in a one room school and over 30 in a graded room. Substitute teachers will be paid at the rate of $15 a day, unless teaching more than 20 consecutive days, in which case they shall be paid according to the schedule.

The Role of the Weekly Newspaper

The weekly newspapers which come to our desk contain very little sensational news. They concentrate on home events and avoid scandal and lurid happenings.

We believe that is as it should be.

The weekly newspaper's job is to relate more of the good things of life than of the bad; to be happier in any success, big or little, achieved by a son or daughter of worthy parents, than in the heartaches of such parents who might see disgrace heaped on their children.

It is cleaner and nicer telling about the doings of the many people who are trying to live decently and to help their neighbors, than to splash on the printed page the sordid details of a home wrecked by wrongdoing.

A weekly newspaper which confines its columns to decent, respectable news, and eliminates indecent and sinful, gains in the respect of its readers.

The weekly newspaper is the home newspaper. Its main concern should be the simple annals of its community. —Brooks Bulletin.

ALL GAS APPLIANCES MUST BE VENTED

Stealthy death in the night is a real peril when gas heating appliances are improperly hooked up, warn officials of the Department of Industries and Labour. During the first three weeks of 1959, two men lost their lives in separate mishaps at Nisku and Etzikom because of propane gas heaters in the living quarters had inadequate air circulation. The death rate for this short period was one-third as great as for the entire 12 months of 1958.

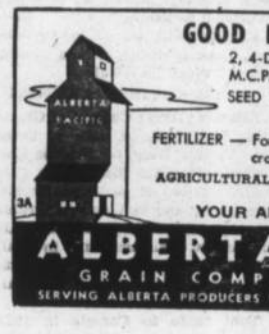

Alberta safety regulations require intake and outlet venting of at least one square inch in duct size for each 2,500 B.T.U. rating of gas heating appliances. This applies equally to natural gas and propane units, whether on temporary or permanent installation.

Propane gas heaters pose the greater danger because they offer unusual simplicity and speed in installation. Hook-ups can be made in virtually a matter of minutes by most handymen. This very versatility makes rigid enforcement of safety regulations almost impossible.

Furthermore, dangers of explosion from propane fuel leaks are more pronounced. Unlike natural gas, propane is heavier than air and settles near floor surfaces. Only relatively long airing or forced ventillation will dispel accumulations. Observance of basic precautions will alleviate practically all dangers connected with the use of propane and natural gas heating appliances.

Proper intake for combustion air and the venting of burner fumes must be the first consideration. Users of propane gas heating appliances should satisfy themselves that their units have automatic fuel shutoff when the flame in burner, or pilot light goes out. These devices are required under newly adopted Alberta regulations. Safety approved appliances carry the marking of some recognized national testing agency.

Rubber stamp pads and ink carried in stock at the Advocate office.

The Vulcan Advocate

Champion

The community was saddened Friday to hear of the sudden passing of A. Cattoni (Tony). Although hospitalized for the last two weeks his sudden passing was unexpected. The sympathy of the district goes out to members of his family and other relatives.

It seems by the way our hospital has filled up that people had been holding off their ailments until it was ready for occupancy. Patients last week from Champion were Alf Rupp, Tommy Doyle, John Petronech, Morris Kuziw and Alice Yakulick.

Mr. and Mrs. Leo Marshman of Calgary and Mrs. Eva Bowie of Vulcan were visitors at the home of Mr. and Mrs. Gordon Stewart last Wednesday.

Mr. and Mrs. E. Douville went to Calgary last Friday and were able to bring little Roger home with them. They are most pleased with the progress he has made.

We are pleased to report that Cliff Miller is progressing favorably after his eye operation in Calgary.

Mr. and Mrs. Harry Matlock of Turner Valley were visitors at the home of Mr. and Mrs. Martin Matlock on Sunday.

Miss Marjorie Little of Lethbridge, Alta., spent a few days at the home of her parents here last week.

Mrs. C. Gloer is able to be home again after sometime spent in the Lethbridge and Edmonton hospitals.

Mr. and Mrs. Ed Wright have returned to their home here after spending the winter in Spokane.

Word has been received of the passing of Albert Matlock at Hanna.

The Irish Concert to be held in the Community Hall is postponed until Monday, March 30, at 8 p.m. Everyone welcome. 32-1c

Friends will be sorry to hear that Beverly Ruggles is a patient in the Vulcan Hospital.

ALFONSO (Tony) CATTONI

Alfonso (Tony) Cattoni of Champion, born Feb. 19, 1898 in Canedine Trento, Italy, died in the Carmangay Hospital March 13.

Mr. Cattoni is survived by two daughters, one son and 13 grandchildren, a brother Silvio in Lethbridge; two sisters, one in Italy and Maria Pasolli of Champion. His wife predeceased him in Italy May 19, 1957.

Toni came to Canada in 1924, worked as a miner and during the later years had been farming.

Requim Mass was celebrated at 10 a.m., Monday, March 16, in the Church of the Immaculate Conception in Champion with Rev. Father A. Lemire officiating. Interment followed in the Champion cemetery. Martin Bros. of Lethbridge were in charge.

Pallbearers were Adrian Cattoni, T. B. Holm, E. Nowlin S. L. Jones, L. V. Stout and W. Diemert.

Lael Chapter, I.O.D.E.

The Lael Chapter of the IODE met at the home of Mrs. Doris Shearer for the month of March, with nine members present. After the prayer and the motto were repeated, minutes of the last meeting were read and adopted. Correspondence was then discussed.

Ruth Ohlheiser, Annie Hopkins and Barbara Hildebrand were elected as delegates to go to the convention to be held in Calgary April 7 to 9, at the Palliser Hotel. Daisy Keenan read an interesting article on Cuba. Annie Hopkins gave a report from the library. Doris Shearer won the raffle.

The next meeting will be held April 16. Edith Warren and Daisey Keenan served a dainty lunch bringing the evening to a close.

Ladies' Auxiliary

The general meeting of the Ladies' Auxiliary was held in the Legion Hall on Tuesday, March 10.

Mrs. Madge Anderson was installed as Sergeant-at-Arms at this meeting. Mrs. Edith Nowlin and Mrs. Grace Beingessner were welcomed as new members of the auxiliary. Grants were made to the Champion Library Association, the Polio Fund and Provincial Scholarship Fund. Mrs. Betty Petronech volunteered to act as auxiliary representative on the Library Board of Directors.

Mrs. Marguerite Ivarson, Mrs. Elva Stewart and Mrs. Joyce Knight will be hostesses at the next card party to be held in the Legion Hall on Wednesday, March 25.

The winners of prizes at the card party held on March 11, were as follows: Bridge— highs, Mrs. Oscar Hagg and Tom Knight; lows, Mrs. H. E. Smith and Gordon Petronech. Whist— highs, Mrs. Gerald Groves and Mrs. Matt Decker (playing man); lows, Mrs. E.D. Nowlin and E. D. Nowlin.

Home and School Association

The Champion Home and School Association has some varied programs in line for the immediate future which should be of tremendous interest and benefit to both sexes and all ages.

At our next meeting which is on Monday, March 23, the Choral Workshop and the Grade 9 class are to jointly share the program. A record attendance is expected for that occasion. Home and School enthusiasts from outlying districts are cordially invited to be our guests on that evening.

We also wish to remind one and all that plans are taking shape for the coming of the University Mixed Chorus, a group of approximately 90 people, on Friday, May 1. The Home and School feels deeply indebted to the town and community for the wonderful response which is being received but some billeting is still needed. The sale of tickets will be underway shortly. There is a reserve of 300 tickets due to seating space.

The assistance of the Boy Scouts would be much appreciated in the transportation of seating equipment for the Chorus Group. Please watch for future developments concerning this performance.

WINTER DRIVING NEEDS EXTRA CARE

Safety experts recommend the following precautions for safe winter driving:

(1) Keep windshield and windows clean at all times; wipe off tail lights and turning indicators periodically.

(2) Check windshield wipers; make sure they don't streak.

(3) Have heater and defroster checked periodically at your garage or service station.

(4) The car's manifold, muffler and tailpipe also should be checked to avoid danger from carbon monoxide seepage.

(5) Slow down to less than normal driving speed; avoid too much acceleration on slippery roads.

(6) Watch constantly for pedestrians who may be wearing dark clothing, or unable to see properly because of scarves and parkas.

(7) Use tire chains wherever necessary.

(8) If you go into a skid, turn your wheels in the direction of the skid, but do not speed up or use your brakes.

(9) When stopping on slippery roads, pump your brakes several times; do not apply steady pressure.

(10) For smooth starting, adjust the seat so your foot rests comfortably on the accelerator pedal. On icy surfaces, use second or high gear to maintain traction.

HOW FERTILIZER BOOSTS YOUR Profit on BARLEY

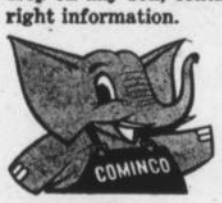

YOU CAN MAKE UP TO $9.00 PER ACRE MORE!

Actual field tests show how your net profit per acre of summerfallow barley is boosted by the use of Elephant Brand Fertilizer.

In the table below, note that the increased profit figure takes the cost of fertilizer into consideration. An increased profit of over $9.00 per acre is certainly worthwhile.

Fertilizer per acre.....50 lb. 11-48-0 (Cost $2.60)
Increased yield per acre.....16 bu. (worth $12.00)
YOUR INCREASED PROFIT PER ACRE.....$9.40
OR $940.00 ON 100 ACRES

When properly fertilized, barley grown on stubble land will show an equally profitable return per acre . . . For greater net profit per acre from any crop on any soil, contact your Elephant Brand dealer listed below for the right information.

PLAN TO TREAT YOUR SEED

Available today are a number of reliable organic mercury chemicals for the treatment of seed which give very satisfactory protection at a relatively small cost per bushel. In addition, there is now protection, in the form of dual purpose treatments, against seedling blight, root rot and wireworm damage.

It will pay to protect your 1959 crops against seed borne diseases and other hazards by using one of the recommended treatments.

District News

CARMANGAY

Mr. and Mrs. S. Christian and family of Rosebud spent the weekend recently visiting Mr. and Mrs. Don Yeoman.

Three girls were enrolled as Guides by their Captain, Mrs. Buelah Hubka last week. They were Chris Hubka, Linda Hubka and Gay Plourd. At the close of the meeting the Guides served tea to their mothers.

Mr. and Mrs. Jim Lee moved into the residence formerly used by the nurses.

The CWL held their annual St. Patrick's tea, apron and bake sale Saturday in the hotel dinning room.

Mrs. Rhoda Minty, R.N., took a surgical course in Calgary recently and has joined the hospital staff.

Mr. and Mrs. Vilias Teskey visited Trail, B.C., last weekend where they attended the wedding anniversary of Mr. and Mrs. Webster, formerly of Carmangay.

Mrs. Soderquist and sons and Mrs. W. Middleton spent the weekend at Bowden.

Father and Son Banquet

The Carmangay Wolf Cubs held a Father and Son Banquet on Saturday, March 14. Grace was said by Rev. R. Johnson of Vulcan. The chairman for the evening, Wes Knight, proposed the toast to the Queen.

A community sing-song was led by Cubmaster Baldwin while the dishes were cleared from the tables. A recitation by Dick Moore and a skit, "When we get to be Twenty-one," played by Calvin Teskey, Barry McFarland, Jerry Mezie and Robert Clark followed.

Guest speaker for the evening was Provincial Field Commissioner for Southern Alberta, Ron Venciet, who spoke to the boys and fathers on camping, and also showed two films. The Cubs had their handicrafts on display.

Home and School Association

The regular meeting of the Carmangay Home and School Association was held on Thursday evening. Prior to the meeting the parents were invited to come to their children's rooms and see their work. Mrs. Lydia Anderson, vice-president, conducted the meeting.

Mrs. Elenora Anderson gave a report on the Home and School Institute meeting held at Vulcan, March 7. Don Yeoman gave a report on Regional Libraries and Mrs. Vilias Teskey gave a report on the Vulcan County report. It was announced that the Home and School Association had paid the transportation for Ray Volck to attend guest week at the Institute of Technology in Calgary.

Those on the lunch committee for April are Florence McLeod, Melvina Roemmele, Dr. Szekely, Don Yeoman and Hettie Teskey.

MOSSLEIGH

Community Club

The Mossleigh Community Club meeting was held on the first Saturday of the month as scheduled and was opened with a Red Cross film and question period answered by Mr. Doyle.

Money-making ideas were discussed and a general canvas was decided on. The tickets for the opening dance are to be made as soon as possible. It was decided to hold a farewell party for the Holoboff family.

After the meeting lunch was served. There was not enough time for cards.

Home and School Association

The Mossleigh Home and School Association held their March meeting on the evening of March 11. A poor attendance was present. The Home and School decided to continue to give Grades 10 and 11 scholarships.

J. Thurber gave a very interesting report on the Home and School Institute meeting in Vulcan. The next meeting will be on April 15, in stead of April 8. For the program Bill Shields gave a very interesting and informative talk on "Civil Defence."

Doughnuts and coffee were served by Mrs. R. McWilliams, Mrs. D. Johnston, Mrs. H. Washburn and Mrs. Geo. Randle. The room prize for the largest parents attendance was won by Grades 5 and 6, Mrs. C. Brooks, teacher.

EASTWAY

Donna Doane of Claresholm is visiting at the home of her parents this week.

Shirley Burgess of Calgary spent the weekend with her parents.

Mrs. Harold Fulton is a patient in the hospital. Friends and neighbors wish her a speedy recovery.

Mr. and Mrs. Bill Holton attended the funeral of Jack Freeman last Thursday in Nanton.

Mr. and Mrs. Mel Burgess and family spent the weekend visiting with Lena's parents, Mr. and Mrs. Ed Scott.

Mr. and Mrs. Bill Burgess were Calgary visitors during the week.

Mr. and Mrs. Henry Beachman and family were visiting at the John Tangen home.

Mr. and Mrs. Ray Onstad were visitors of Mr. and Mrs. Pat Onstad of Airdrie, Alta.

Mr. and Mrs. Henry Huff and family were visitors in Vulcan on Saturday of last week.

Mr. and Mrs. Ray Elliott, returned home Sunday after visiting at Carstairs and Olds the past week.

Mr. and Mrs. H. Caufield and daughter, Ruth, were visitors in Vulcan on Saturday of last week.

Mr. and Mrs. Alec Fraser and family motored to Carmangay on Sunday to visit relatives.

Mr. and Mrs. L. L. Tolley of Woodhouse were Sunday visitors at the home of their son and daughter-in-law, Mr. and Mrs. Bill Tolley and family.

The regular monthly meeting of the Lomond Home and School Association was held at the school on Wednesday evening, March 11, with a good attendance. Program was by the teachers and featured a display of work, also some new methods of teaching various subjects, all of which proved most interesting.

Organization of Fire Department

For some time past the Lomond Village Council had been discussing the necessity of some method of fire control. Also that some form of rural fire fighting equipment was necessary. After many inquiries to various districts they were approached by Jack Stewart, Alberta representative of the Saskatoon Fire Engine Co.

Following some discussion the Village Council decided to contact the Lomond Lions Club and ask for their assistance in organizing a Lomond and District Fire Deptment. Mr. Stewart attended one of the Lions meetings and spoke to the members regarding fire fighting equipment. The Lions Club decided to assist in organizing and a committee was appointed to meet with the Village Council and to canvass the district for shareholders. Committee appointed were Albert Ost, Bill Brown, Doug Walker, Cliff Booth, Mack McKay, Albert West and Fred Crawford.

This committee met with the Village Council and discussed the cost of fire fighting equipment and housing of same. The minimum cost estimated was set at $6,000 for equipment and $2,000 for a fire hall. The village to supply half of this amount or $4,000. The borders of the area were set as follows: West boundary, Lake McGregor; north, community lease, south; correction line south of Travers; east, the community lease. It was estimated that there were a prospective 150 shareholders in this area. Shares were set at $35 each. The last report from the canvassing committee showed 88 shareholders with a total of $3,090 collected. Quite a few farmers wished to have more time to think over the idea.

A meeting was held Thursday, March 5, to discuss this organization. Those present inspected the village office, with the idea in mind that a fire engine might be housed in the basement. However due to many reasons it was unanimously decided that it was not suitable.

A general meeting of shareholders was then called for Wednesday, March 11, for the purpose of organizing the Lomond and District Fire Department. Non shareholders were invited to attend. It was decided to go ahead and purchase the equipment and build a fine new hall adjoining the village office. Delivery of the engine to be about June 1.

It was also decided at this meeting that the rate to be charged for fighting a fire on a non shareholder's property would be $100 for the first hour and $25 for each additional hour. In the event of a fire it would be much cheaper to be a share holder.

St. John's Anglican Guild

The February meeting of the St. John's Anglican Guild was held at the home of Mrs. Janet Skeith with nine members and several visitors present.

During the business meeting a motion was made to donate $1 per month toward a rectory apportionment fund. A pot luck supper be held on Saturday, April 11. Arrangement for same to be taken care of at the next meeting. Members were appointed to cater at the next Lions supper.

Hostess for the next meeting will be Mrs. Jean Fraser on Tuesday afternoon, March 24. On lunch are Mrs. Sande, Mrs. Skeith, Mrs. Ruppert and Mrs. R. Chapman. Roll call will be an Easter verse and a contest for the program. Visitors welcome.

Birthday Club

The Birthday Club met at the home of Mrs. R. J. Honess on Thursday, March 12, with 12 members and one visitor in attendance. With the president and secretary on hand the meeting opened by singing, "When Irish Eyes Are Smiling." The roll call was to have been answered with an Irish verse and the one composed by Mrs. Mary Crawford was exceptionally good.

A final card party for this season was planned for March 14. The meeting closed with the song, "The More We Get Together." Birthday gifts were presented to Mrs. Hamm and Mrs. Honess and Mrs. McAlister's was to be delivered to her. The raffle was won by Mrs. Henry Thompson. Mrs. Lindstedt had charge of the entertainment for the afternoon and had a contest based on "St. Patrick's Day", which was won by Mrs. Brooks.

A lovely lunch served by the hostess and committee brought a pleasant afternoon to a close.

Letters to the Editor

To the Editor of The Advocate,
Dear Sir:

I would appreciate space in your paper to make clear a point that may cloud constructive thinking on the part of some people.

I wish to assure all concerned that when I speak in a positive fashion regarding the possibilities of hail suppression being one of the most important contributions to our agricultural economy in this generation and testify to the reliability and capability of the operating company, I speak from experience, not because I am paid to do so.

The responsibility to do what I could to organize a hail suppression project in Kneehill, M.D., to test the possibilities of this science was placed on me and our committee by our neighbors at public meetings. The support of my neighbors and this committee made this test possible.

We have found our losses from hail over the past three years reduced to a level never before known. Tremendous strides have been made in the practical application of this science in this time until now we can hope with reason for the virtual elimination of economic damage by hail.

The cost of this is so reasonable that any man saving only one hailstorm in a lifetime will have excellent returns on his investment and anyone whose past experience indicates he could save himself many such storms can get greater returns from this investment than any money he has ever spent.

Some rebel at placing this service on taxes saying it should be by free canvass. We would point out that by voting to put it on taxes, they are only saying they are willing to pay their share, no more — no less.

To explain why I accepted the invitation of Jerry Jones, District Agriculturist at Taber, to speak at meetings set up by himself and others with no personal remuneration since they had no money for that purpose, I only ask how can I weigh my personal inconvenience and expense against the heartbreak and misery and financial loss caused by a hailstorm that we have every reason to believe can now be largely prevented?

I can take no personal credit for my part since I rebelled many times at this personal inconvenience and expense to myself before I finally accepted the fact someone had to do the job and it was a great deal more important than either me or my personal plans.

I feel my responsibility to you ends with speaking at these meetings. The resonsibility for your own or your neighbors' hail damage this summer now rests with you.

I leave you a slogan I have heard used here in my district, "If you want to save your crop next summer now is the time to do it."

Thank you,
J. T. Bishop,
Three Hills.

COUNTY OF VULCAN No. 2

NOTICE OF VOTING ON BY-LAW

Public Notice is hereby given that a vote will be held in the County of Vulcan No. 2 for voting on By-Law No. 197, being a by-law for the purpose of hail suppression.

BY-LAW No. 197

A By-Law of the County of Vulcan No. 2 to authorize the Council to enter into an agreement for the provision of weather modification services in a part of the county.

WHEREAS representation has been made to the Council of the County of Vulcan No. 2 by ratepayers of the County of Vulcan **excepting** the following:

Township 18 in Ranges 18 and 19, W4th
Township 19 in Ranges 18 and 19, W4th
Township 18 in Ranges 23, 24, 25, 26, 27, W4th
Township 19 in Ranges 23, 24, 25 and 26, W4th
Township 20 in Ranges 23, 24, 25 and 26, W4th
Township 21 in Ranges 23, 24, 25 and 26, W4th
Township 22 in Ranges 24 and 25, W4th

requesting the Council to enter into an agreement to provide weather modification services within such area during the crop growing season for 1959, and

WHEREAS the Council has been informed that the weather modification services desired by the said ratepayers can be furnished by Irving P. Krick Associates of Canada Ltd., McCall Field, Calgary, Alberta, and

WHEREAS representation from the said Company has stated that the Company is equipped, able and competent, qualified and willing to carry out a program of weather modification within the area referred to herein in the crop growing season of 1959 and in accordance with the expressed wishes of the ratepayers referred to herein, and

WHEREAS the Council believes the wishes of the ratepayers who have requested the service should be granted, but at the expense of those owning unsubdivided farm lands within the area only, and

WHEREAS the authority is given to the Council to enter into an agreement as recited herein,

NOW THEREFORE BE IT RESOLVED that the Council of the County of Vulcan No. 2, by virtue of the authority granted to it by Section 429 of the Municipal District Act, Chapter 70 of the Statutes of Alberta, 1954, and amendments thereto, enacts as follows:

1. That the Council of the County of Vulcan No. 2 enter into an agreement with Irving P. Krick Associates of Canada Ltd., McCall Field, Calgary, Alberta, for the provision of weather modification services, looking towards the suppression of hail which may damage cereal and other growing crops within the area of the County hereinafter set out in detail, during the cereal crop growing season of 1959, commencing on or about the 20th day of June, 1959, and continuing thereafter for a consecutive period of three months, the said area comprising the unsubdivided farm lands in the County of Vulcan No. 2 **excepting** the following townships or parts thereof:

Township 18 in Ranges 18 and 19, W4th
Township 19 in Ranges 18 and 19, W4th
Township 18 in Ranges 23, 24, 25, 26, 27, W4th
Township 19 in Ranges 23, 24, 25 and 26, W4th
Township 20 in Ranges 23, 24, 25 and 26, W4th
Township 21 in Ranges 23, 24, 25 and 26, W4th
Township 22 in Ranges 24 and 25, W4th

2. That the cost of providing the weather modification services referred to in paragraph (1) set out above shall be met by the levy and collection of a mill rate not exceeding ten mills upon the real property comprising the unsubdivided farm lands liable to assessment and taxation in that portion only of the County hereinbefore described, and that such rates shall be levied in addition to and together with other rates authorized and forming part of the amalgamated tax levy, and they shall be a lien upon the property subject to the same penalties and collectable in the same manner as taxes.

3. That the total costs of providing the weather modification services in the area designated for the year 1959 only and payable to the Company referred to herein shall not exceed the sum of Eighty Four Thousand Dollars ($84,000.00) payable in a manner mutually agreeable to the parties entering into the agreement.

4. That the costs incurred by the County in submitting this By-Law to a vote of the proprietary electors as required by the Municipal District Act shall be an additional charge to be met out of the mill rate referred to in paragraph (2) hereof.

5. That the agreement to be entered into with the Irving P. Krick Associates of Canada Ltd., shall contain a stipulation that the County shall be held harmless and indemnified against any claims or loss by any person or persons as a result of the weather modification program initiated and carried out under the provisions of the agreement authorized by this By-Law.

6. That the Chairman and the Secretary-Treasurer be and they are hereby authorized for and on behalf of the Council to sign an agreement with the Company referred to herein embodying the principles as set out by this By-Law.

7. That this By-Law shall have no force and effect unless and until it has been submitted to a vote of the proprietory electors of the area referred to hereinbefore and has received the approval of not less than two thirds of the said proprietory electors voting thereon.

DONE AND PASSED by unanimous consent and vote of the Council at Vulcan in the Province of Alberta, this 13th day of March, A.D., 1959.

J. E. CARLSON,
Chairman.

D. D. McQUEEN,
Secretary-Treasurer.

The card party scheduled for Thursday, March 26, sponsored by the Ladies' Auxiliary to the Canadian Legion has been cancelled, as the Legion is holding its Polio Bingo on this date.

Mr. and Mrs. Roy Fulton and Enid motored to Calgary on Sunday, where they visited at the Keith Harrison home. Mrs. Fulton remained to spend the week with her daughter, who had just left the hospital, after a stay of several weeks.

The United Church group of the WMS has concluded a large part of the study-book on North America. Many interesting facts have been learned of the missionary work carried on, from Alaska to Central America. The gift parcels this year will be given to our own needy Indian families in Northern Alberta. The voluntary work of making quilts and knitted articles has begun. Also Christmas gifts for the children for 1959 will be included in the parcels. The March meeting will be held at the home of Mrs. A. A. Giles Thursday, March 26, commencing at 3 p.m. Members are urged to be present as plans have to be completed for the tea, apron and bake sale to be held early in April.

Bill Salvage, who recently fractured his hip in a fall on the street here, is presently confined to the General Hospital in Calgary. Best wishes for a speedy recovery are extended to him by his many friends.

Friends of Art Hansen will be sorry to learn that he too is a patient at the Calgary General Hospital, having been the latest in many similar accidents, that have resulted in falls and broken bones, by Vulcan residents this winter. A speedy recovery is wished him by his friends here.

ENGAGEMENT ANNOUNCED

Thus saith the Lord, Let not the wise man glory in his wisdom, neither let the mighty man glory in his might, let not the rich man glory in his riches:

But let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercise loving kindness, judgement and righteousness in the earth: for in these things I delight, saith the Lord.

—Jeremiah 9:23-24

For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ.

But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.

Mr. and Mrs. Ross Giles and Donny of Cayley were Sunday visitors at the home of Mr. and Mrs. Neil Giles.

Saturday callers at the home of Mr. and Mrs. George Todd were Mr. and Mrs. Adams and Lorraine of Calgary.

To Clare Dunham who was admitted to the local hospital on Monday, we send our best wishes for a speedy recovery.

F.U.A. Meeting

The March meeting of the local FUA was held at the home of Mr. and Mrs. Carl Steiner on Tuesday, March 10. The annual meeting of the Hall Board took place with the present slate of directors being re-elected for another term. Hail suppression and proposed improvements to the Redlandview Hall were the subjects for discussion.

Following adjournment, the meeting was turned over to Dr. Bernard Tonken, vetrinarian, who showed two films on diseases in cattle and swine. The fact that diseases are becoming more and more prevalent and difficult to combat, the films were both timely and interesting.

A tasty lunch was served by Mrs. Steiner and assistants. The next meeting will be held in the Redlandview Hall on Tuesday, April 11.

Typewriter carbon paper always in stock at the Advocate in blue or black.

BLACKIE

Friends of Al Garity are sorry to hear that he is still a patient in the High River Hospital.

Also a patient in the High River Hospital is little Dale Jackson, son of Mr. and Mrs. Bob Jackson.

Mr. and Mrs. Charles Hanwell were weekend visitors in Calgary.

Sincere sympathy is extended to Rev. and Mrs. N. Knight at this time. Mrs. Knight's sister, Mrs. Wellington Batey of Wilson Grove, Ont., passed away on Saturday morning, March 14, following a serious operation.

Ted Manville of Calgary has been spending a few days here assisting his sister, Mrs. Rex Peckham, with some book work.

Wayne Wilderman of Calgary was home for the weekend. Johnny Southgate also of Calgary spent the weekend with his parents here.

The members of the United Church Boys Club were treated to a trip to Calgary on Tuesday evening and complimentary tickets to the hockey game between the Cal-Stampeders and Saskatoon. Those attending were Jackie Kumlin, Len Ririe, Lowell Westersund, Alex and Joe Whiteside, Bill Douglas, Larry and Jimmy Finley, Bob Seney, Ken Suitor, Bobby Stephenson and Johnny Wollershiem. Drivers of the cars were Rev. N. Knight and Stan Stephenson. The boys have been receiving instructions in Bible stories with lantern slides from Mr. Knight and sport instructions from Mr. Stephenson.

It was a pleasure for her friends in Blackie to again see Mrs. Pearl Diggory as a guest on an afternoon television program. She commented on the current hair styles and this season's hat styles.

Rev. and Mrs. N. Knight saw the "Alaska Calvacade" when returning home from Okotoks on Saturday. The calvacade is a group of families on their way to homesteads in Alaska.

Hershall Fawcett of Calgary was home for the weekend.

Mr. and Mrs. Ray Wellman and family of Vulcan were Sunday guests at the home of Mr. and Mrs. Ed. Wellman.

At the Calgary meetings during this week, James Stier of Plainview IOOF Lodge of Blackie, was elected Grand Junior Warden of the Grand Lodge of Alberta, IOOF.

The Canadian Red Cross Society makes its annual appeal for funds during the month of March. Canvassers will be calling at your home. All gifts will be appreciated.

Jim Rockafellow, Ted Seney, Ron McKeage and Elmer Edworthy curled in the Open Bonspiel in Vulcan and won second prize in the fourth event.

In the money bonspiel held here, Lawrence Yeoman's team with players Ron Baker, David Paradee and Bud Powell won first prize over the George Rockafellow rink of Calgary. Ray Wellman and his team from Vulcan won the second event. Eight rinks from Calgary, Vulcan, Mossleigh and Blackie competed.

Little Dwight Kruetzer of Calgary spent the past week here at the home of his grandparents, Mr. and Mrs. Milt Finley.

Anyone interested in curling in the Green Bonspiel are requested to submit their names to the officials as soon as possible. It will be starting on March 30.

In the Knock-out Curling event of the past week between local square draw teams, the big league was won by Doug Lindquist, Mr. and Mrs. L. Lindquist and Alex Paul. Little league honors went to Ted Percival, Keith McKeage, Charlie Meadows and Clarence Donovan.

ENSIGN

Visitors at the home of Mr. and Mrs. Bert Larsen for a few days last week were Bert's brother-in-law and sister, Mr. and Mrs. Dean Campbell of Edmonton, and their little grandson from Calgary. Sunday visitors at the Larsen home were Mr. and Mrs. Cameron Campbell of Calgary.

Mr. and Mrs. Harry Brown of Okotoks were visitors at the B. Brown and George Flebotte homes Tuesday and Wednesday of last week.

Mr. and Mrs. Archie McIntyre returned home last Saturday after spending two months in Pheonex, Arizona and California and several points in British Columbia, visiting with relatives and friends.

Saturday and Sunday guests at the home of Mr. and Mrs. David Fisher were Mr. and Mrs. Allen Baker and children of Calgary.

Mr. and Mrs. C. Mote and Earl and Mr. and Mrs. B. Brown were visitors at the home of Mr. and Mrs. Tom Knight at Champion last Friday evening.
